

embedding cosine 0.9983 · the model gave BOTH cases the same label — it did not separate them

Query-only evidence

Shared evidence

Opposite-only evidence

Query case (+1): #1 ▲ petitioner: state of andhra pradesh #2 ▼ other lawyer arguments #3 ▲ judge: udurga prasad rao

Opposite case (-1): no counterfactual data — masking was only run on test cases

(types with no box in this diagram are still ranked)

▲ supports the decision (masking lowers confidence) ▼ argues against it (masking raises confidence) | ribbon = top-3 driving factor
